ABOUT BRITTANY HOUSE

Brittany House is set amongst beautiful, park-like grounds. The gardens delight our residents, who often take a quiet stroll or sit in one of the many sunny spots and enjoy the peaceful surroundings.

The building, interior and furnishings have been designed and purpose-built for our residents' comfort and enjoyment, and the majority of our rooms have a lovely view over-looking the grounds.

Independence and privacy are respected at all times, and we endeavour to improve the health and lifestyle of each resident.

We have a varied, and ever-changing range of entertainment, outings and activities, including parties, celebrations and involvement with the local community.

Delicious home-cooked meals are prepared on-site. We can cater to individual dietary needs and there is a regular 'happy hour' that family members are welcome to attend.

Residents and their guests are made to feel at home in a safe, welcoming environment with warmth, smiles, and a good dose of humour.

We are proud of our rich Spiritual heritage and have a beautiful chapel on-site that is used regularly for services and celebrations for both residents and the community.

We invite you to come and explore Brittany House and see for yourself the unique features and lifestyle and inspect the quality of care that is our business.
