Residential care

Uniquely New Zealand

ABOUT JERVOIS

Jervois Residential Care is conveniently situated in the inner-city suburb of Herne Bay. The original villa has undergone major redevelopment and is now purpose-built for our residents' comfort and enjoyment, while retaining all the grandeur of yesteryear.

Our elegant lounges are classically comfortable and provide the opportunity for residents to enjoy the company of others. Our park-like grounds are easily accessible, giving residents the opportunity to enjoy the gardens.

Independence and privacy are respected at all times, and we endeavour to improve the health and lifestyle of each resident.

We have a varied, and ever-changing range of entertainment, outings and activities, including parties, celebrations and involvement with the local community.

Delicious home-cooked meals are prepared on-site. We can cater to individual dietary needs and there is a regular 'happy hour' that family members are welcome to attend.

Residents and their guests are made to feel at home in a safe, welcoming environment with warmth, smiles, and a good dose of humour.

We invite you to come and explore Jervois and see for yourself the unique features and lifestyle that we offer and inspect the quality of care that is our business.
