## ABOUT RIVERLEIGH

Riverleigh Residential Care is set in attractive landscaped grounds close to the Hutt river and the City Centre, both of which are easily accessible to residents' family and friends.

The interior design and furnishings of the building have been designed to maximize comfort and enjoyment. We have three communal lounges that are homely and provide a cozy opportunity for residents to enjoy the company of their guests.

On the lower floor, the courtyard and gardens have easy access from the lounges, giving residents the ability to enjoy the outdoors whenever they wish.

Riverleigh is a 58 bed facility which caters for both rest home and hospital level care residents.

All our rooms are Single and we offer a range of Standard rooms through to Superior Studio style apartments. The Studio style apartments can comfortably accommodate a married couple if desired.

We encourage you to make Riverleigh yours by bringing along your favourite ornaments and pictures. All our rooms are light and spacious. We want you to feel at home.

We invite you to come and explore our Home, and to see for yourself the unique features and lifestyle that Riverleigh offers.
