The Blokes' Shed

A place for blokes to do what blokes enjoy most

Gentlemen, remember the times spent in 'the shed', fixing and making things with your hands and occasionally enjoying a drink with a mate?

Join our Blokes' Shed to experience the satisfaction of working with your hands again and the company of other men.

The Blokes' Shed meets regularly and provides you with the opportunity to:

- Try your hand at woodcraft activities
- Be involved in restoration projects
- Assist with maintenance projects
- Build new friendships
- Develop new skills
- Enjoy a beer or cuppa with 'The Boys'
- HAVE FUN!

Maybe you have family or friends with an interest in this blokes' stuff. Why not suggest they visit you sometime during The Blokes' Shed hours to share the experience with you.

The Recreation Coordinator would love to hear from you if you are interested in joining The Blokes' Shed.
