

“I Wish Upon a Star Tree Tonight”

Experience the Magic of the TerraNova Wishing Tree because life is for living, **RIGHT?**

Regardless of our age, we all should have dreams, goals and things to look forward too.

If you have something ‘dear to your heart’ that you would like to do or achieve, such as ...

- A place you want to visit
- A friend you want to see again
- A new experience you’ve never tried before
- Something you want to do for others

... but you can’t achieve it on your own, why not write your wish down and hang it on the Wishing Tree.

You wouldn’t believe the fun and fellowship that occurs during any fundraising and planning activities required to fulfil a special wish.

Everyone lends a hand to ‘make a wish come true’ ...

Staff, fellow residents at this home, the community, family & friends

BE PART OF THE MAGIC!

The Recreation Coordinator would love to hear from you if you need help with writing a wish OR if you wish to join us in fulfilling the wishes of our residents.
