## ABOUT WARRENGATE RESIDENTIAL CARE

WarrenGate is situated in a pleasant tree-lined street in Mt Albert, and is readily accessible for residents' family and friends.

The original character bungalow has been redeveloped and designed for our residents' comfort and enjoyment.

Our multi-cultural residents and staff give WarrenGate a warm, 'family' atmosphere. The stability of our staff means family members are able to build a strong rapport with those who care for their loved one.

Independence and privacy are respected at all times, and we endeavour to improve the health and lifestyle of each resident.

We have a varied, and ever-changing range of entertainment, outings and activities, including parties, celebrations and involvement with the local community.

Delicious home-cooked meals are prepared on-site. We can cater to individual dietary needs and there is a regular 'happy hour' that family members are welcome to attend.

Residents and their guests are made to feel at home in a safe, welcoming environment with warmth, smiles, and a good dose of humour.

We invite you to come and explore WarrenGate and see for yourself the unique features and lifestyle that we offer and inspect the quality of care that is our business.
